Index.html fail enne

Congratulations

The uploaded document "index.html" was successfully checked as HTML5. This means that the resource in question identified itself as "HTML5" and that we successfully performed a formal validation of it. The parser implementations we used for this check are based on validator.nu (HTML5).

Index.html fail pärast `` eemaldamist

⚠ **Byte-Order Mark found in UTF-8 File.**

The Unicode Byte-Order Mark (BOM) in UTF-8 encoded files is known to cause problems for some text editors and older browsers. You may want to consider avoiding its use until it is better supported.
